

STANDARD PLANK CHERRY

Original Color
Product ID: SPC-OR

Pecan Color
Product ID: SPC-PC

PRODUCT SPECIFICATIONS

Standard Plank Cherry tops are constructed using a mix of heartwood and sapwood cherry lumber. Colors range from reddish brown to creamy white and the planks have a straight grain pattern with occasional small knots visible.

Standard Plank tops are sanded smooth and finished with a durable and easy to maintain two-part acrylic polyurethane in a matte sheen.

LEAD TIME: 3-4 weeks but may vary depending on the species and quantity ordered. Contact us for rush order requests.
