PRODUCT SPECIFICATIONS

Our Mixed Plank Walnut Restaurant Tabletops are assembled using new lumber Walnut planks in mixed widths from 2" up to 4" wide. Our Walnut Restaurant Tabletops are some of the most popular because of it's stunning grain pattern and rich color. We use a mix of heart wood and white sap wood to create a striking contrast of lights and darks.

Mixed Plank Walnut tops are sanded smooth and finished with a durable and easy to maintain two-part acrylic polyurethane in a matte sheen.
